Fred Martin
Computer Science

IRB Protocol #: 14-114 **Study Status:** Expedited

Expedited Category: FR Vol 63., No 216, (7)

Protocol Title: Middle School Pathways in Computer Science

Amendment No.: 2

Original IRB Approval Date: 7/7/2014

This letter is to notify you that the above referenced amendment has been reviewed and approved. This Amendment approves: AMD #2 to add 2 individuals to project personnel, add interview protocol, add 'debugging' activity, add 'summer camp experiences' questions to survey, add information relating to 'non-participating students' to summer camp consent. Reviewed and approved by ES on 6-29-15.

Please note: an amendment approval does **not** change the date of when your Annual/Continuing Review is due for submission to the IRB. The Continuing/Annual Review or a Final Report Form is due on or before the anniversary of the original approval date.

Please refer to the IRB Protocol Number on all correspondence related to this project. It is your responsibility to notify the IRB Office of any change in your research protocol, unexpected adverse events, and also, if you decide to discontinue or postpone your research project. Our best wishes for continued success with your research!
