Office of Institutional Compliance
Institutional Review Board

July 7, 2015

Fred Martin
Computer Science

IRB Protocol #: 14-114   **Study Status:** Expedited

Expedited Category: FR Vol 63., No 216, (7)

Protocol Title: Middle School Pathways in Computer Science

Original IRB Approval Date: 7/7/2014

Due for Renewal: 7/6/2016

This letter is to notify you that the above referenced protocol has been reviewed and approved by the UML IRB through the Continuing Review process and *Amendment #3* - to add questions on race/ethnicity and home language to the summer camp post-survey has been approved. A copy of the signed and updated Informed Consent Form(s) will be sent to you following this correspondence, if applicable. Please contact the IRB Office if you have any questions about any change in your research protocol, unexpected adverse events, or if you decide to discontinue or postpone your research project.

If your project exceeds another year in duration, an Annual/Continuing Review Form must be submitted to the IRB Office. Please include the IRB Protocol Number on all correspondence and allow sufficient time so that your project may be reviewed and receive IRB approval prior to the anniversary date of the research project. Upon completion of this project, it is your responsibility to notify the IRB, using the Final Report form. Our best wishes for continued success with your research!
